

Lane Courtesy Month 2016

Radio PSAs

For radio interviews or more information, contact Shelia Dunn, NMA Communications Director at communications@motorists.org or 608/849-6000

:15 Radio PSA , Lane Courtesy Month – June 2016

June is Lane Courtesy Month sponsored by the National Motorists Association Foundation! Lane courtesy quite simply means always driving in the right lane on the highway unless you are passing someone going slower than you. Be a role model. Drive Right every time you drive! Contact W-W-W Dot Motorists Dot Org for more information.

:30 Radio PSA, Lane Courtesy Month – June 2016

June has been designated Lane Courtesy Month by the National Motorists Association Foundation! Lane courtesy or lane discipline as it is sometimes called is a habit that every driver on the road should keep. Driving in the right lane except to pass, saves lives, saves gas, saves time and even helps reduce road rage.

Lane Courtesy is the law in most states but more importantly, it is one of those unwritten rules of the road for all motorists. Driving to the right keeps the traffic moving and it is the right thing to do! For more information contact W-W-W Dot Motorists Dot Org.
